

Weekly Bulletin

Please find a summary of information for the week ahead for each year group. Information which applies to each year group can be found in the information for all section.

Things to celebrate and highlight from last week.

We would like to thank all students for their efforts this half term. We have settled into the academic year and students are securing more praise points than ever. We look forward to next half term where students can use their praise points in the fantastic House auction. If you would like to donate anything to any of the house auctions for student to be able to bid on, please get in touch. Well done to Blake B for having the highest number of positive points and Alfie F with the highest number of post cards!

Information for all

A gentle reminder Monday 30th October is a staff inset day and therefore school will be closed to all students.

All fixtures for this upcoming week can be found in our PE weekly newsletter, this can be found here

<https://www.cambornescience.co.uk/wp-content/uploads/edition-3.pdf>

Students will have information shared with them in tutorial this week about staying safe over half term. This will include guidance on being out in the community and water safety. We wish you all a safe and happy half term break.
