

Weekly Bulletin

Please find a summary of information for the week ahead for each year group. Information which applies to each year group can be found in the information for all section.

Things to celebrate and highlight from last week.

Welcome back to a new half term. There are lots of things to look forward to this half term, this includes our first House auction of the year and the carol service and lots of charitable events in the lead up to Christmas.

We hope everyone had a restful break over half term and if there is anything you feel the year teams need to be made aware of please complete the appropriate link on each year group below. You can always email Miss Hendrick with any general enquiries on hendrickk@cambornescience.co.uk.

This week

A real plea from the PE department. Please label all of the students PE kit so the kit can be given back to the students as we are having a lot of PE Kit not being placed back in bags after PE and being left behind.

Fresh start this half term, remember you can purchase stationary from the learning zone, or you are able to go to triage before school to borrow equipment for the day.

Any equipment needed to be given to students throughout the day via triage will be added to parent pay.

If you need to speak to someone from the year team or pass on important information please fill in the link below. The directors of year and PSW prioritise the information from this list and are then able to triage responses.
