September 2020

Dear Parents and Carers

We would like to thank all Parents and Carers for a successful start to the term. We are aware that COVID-19 has brought a number of changes and challenges. However, we are incredibly proud of how well students have adapted and coped with the changes that have had to be made to their school experience.

Due to circumstances beyond our control, we are aware that the wearing of PE kit has resulted in issues that we are now looking to resolve. As of Monday 21st September, the following uniform expectations will apply on days that your son/daughter has PE. These changes will remain in place until all orders can be fulfilled by Whirlwind Sports.

- ✓ Students who have all PE items should wear them with sports trainers for the entire day.
- ✓ If students would like to bring a second pair of shoes, these should also be sports trainers or their normal school shoes.
- ✓ If students do not have the new PE training top, they should wear the PE T-shirt with their school blazer over the top.
- ✓ When participating in PE lessons, if it is cold and students have not been able to obtain the correct PE top, they may wear a black hoodie. If it has a small logo, this will be acceptable during the PE lesson.
- ✓ Students must wear black socks or PE socks only.
- ✓ Students must wear plain black (no markings or logos) jogging bottoms over the top of a PE skort or pair of shorts. If this is not possible, boys should wear their school trousers over their shorts and girls should wear their school skirt over their PE skort.

Thank you for your continued support.

Yours faithfully

CSIA Assistant Principals - Directors of Year
