

School Vision

Camborne Science and International Academy (CSIA) is a community that welcomes all of our students, families and visitors. We live by our motto of “Learning to be Extraordinary”.

Students of CSIA are given every opportunity and challenged to be the best that they can be, demonstrating our character values in all they do. Our values underpin our approach to an excellent educational experience for our students. We encourage all of our students, and their families, to work within these values.

It is our firm belief that this set of character values form the core of being someone who is a success in all areas of their life and brings positivity to the lives of others. We use these character values as part of our daily language and behaviour.

Students are actively encouraged to build their character through a variety of experiences, skills and qualities, and in their study towards their qualifications.

All students will be well prepared for their next steps into further education, training and employment. They will be happy, healthy, confident, life-long learners who ‘experience life in all its fullness’

CHARACTER VALUES

AMBITION

I am determined to succeed and be the best that I can be.

ALTRUISM

I am kind to others and kind to myself.

INTEGRITY

I am honest and will do the right thing, even when no one is looking.

RESILIENCE

I am positive, optimistic and never give up.

RESPECT

I am polite, thankful and kind to others. I listen to and encourage other's opinions. I have empathy for every person's life situation.
