CSIA SPORT

Sports and Dance Awards Special Edition

The 2023 Sports and Dance Awards took place on Friday 8th December. It was a fantastic event that celebrated the efforts of our students this calendar year, as well as our new Rising Stars in Year 7. We were overwhelmed with the support and attendance from the friends, family and carers of our pupils and thank everyone who came and helped make the night one to remember. Congratulations to all the winners and nominees, you have all done yourselves very proud. A special mention must go to our guest for the evening, professional Rugby player and World Cup Quarter Finalist, Mr Sam Matavesi, who shared some great advice and stories from his career. The students were visibly inspired. Sam was kind enough to donate a shirt to the school for display that he wore during the 2023 Rugby World Cup in Paris which will soon be on show in the PE corridor! Thank you very much for your generosity, Sam. We are looking forward to hosting the event again next year - so students, the hard work begins again now!

AWARD WINNERS!
