April 2020

Dear Parent/Carer

Re: Yearbook 2020 – Final Payment

Your child may have reserved a copy of the Year book by paying a £15 deposit. The Yearbooks are now being ordered and a final payment of **£9** is needed. If your child has not already reserved a copy of the Yearbook, you now have a final opportunity to purchase a copy. If you would like to do so, you will need to pay the full **£24**.

Given the current school closure, we will update you with the way in which this year's book will be distributed and we'd ask for your continued support and patience with this at this time. However, we feel that it is important to proceed with the production of this year's Yearbook in order to give our students positive memories.

This final payment of £9 (making the total payment of £24) or £24 if you have not already paid the deposit, needs to be received by **Monday 20 April**. Please make this payment via Parent Pay.

I would like to remind you that the Yearbook is a student project. The Yearbook is produced with the committee's own creative spin. They endeavour to represent the year group to the best of their ability and produce a quality keepsake for students to treasure for years to come. However, despite their best efforts, some small mistakes may be found within the Yearbook. By purchasing a Yearbook you are entering into the arrangement with the understanding that small mistakes may occur and that refunds cannot be made.

Thank you again for supporting your child in what has been a challenging end to their school career. If you would like more information about the Yearbook, please contact me via email: hawkel@cambornescience.co.uk.

Yours sincerely

Mrs Leanne Hawke
Director of Key Stage 4
